

One Company...One Complete **Solution**

Quick Connect Couplings
Fluid/Electric Hybrid Connectors
RFID Enabled Connectors
Sanitary Single-Use Connectors
High-Purity Single-Use-Systems
Fluidic Sensors and Controls
Isolation Valves
Robots
Pumps
Compressors
Pressure and Flow Controls
Solenoid Valves
Proportional Controls
Air and Electric Actuators
Internet of Things (IoT)

Markets Served:

Life Science
Medical Device
Bioprocessing
Pharmaceuticals
Analytical Instrumentation
NSF Food and Beverage
Process Control
Automation

Manufacturer's Directory

Air Logic®

Precision regulators, pressure and vacuum switches, check valves, orifices and accessories

Alkon Corporation

Air valves, flow controls, brass and composite fittings

Altaflo

PTFE, PFA and FEP tubing

Anko Products, Inc

Peristaltic pumps, gear motors

Arrow Pneumatics

Valves, FRL's

Automatic Valve

World-class air valves, controls and accessories

Balluff

Liquid, bubble, leak and level detection, smart sensors, vision systems, RFID, linear transducers and industrial networking

Bi-Lok

Dual and single ferrule tube fittings in stainless and brass

Clippard

Isolation valves, pinch valves, proportional flow control valves, proportional pressure controls, solenoid valves, Minimatic® valves, manifolds, cylinders and fittings

CPC® (Colder Products Company)

Quick disconnect couplings for medical, biopharma, semiconductor, liquid cooling, instrumentation, food/beverage, acetal, polypropylene,

CPC continued

polycarbonate, polysulfone, PVDF, PTFE, PE, steam-in-place, aseptic and hybrid

EDCO USA®

Vacuum generators, cups, sensors and systems

Fabco-Air

Original Pancake® cylinder, NFPA cylinders, slides, multi-power cylinders, grippers and specialty valves

FasTest®

Ergonomic and quick economical connectors for vacuum and leak testing

Freelin-Wade Co.

Specialists in urethane/plastic tubing

Gast

Vacuum pumps and compressors, air motors and gear boxes, regenerative blowers, pump and tank combinations

GEMS

Pressure sensors and transducers, level sensors, flow sensors and solenoid valves

Generant, Inc.

Precision relief valves, check valves, needle valves and instrumentation valves

John Guest®

Push to connect acetal and polypropylene fittings, stop valves, diverter valves and plumbing fittings

JUN-AIR®

Air compressors, vacuum pumps, dryers, systems and clean and quiet

Leroy Plastics

Tube extrusions, bonding, PVC tube molding, tube, pipe and hose forming, custom tube coils

305 Island Road, Mahwah, NJ 07430

P: 201.327.7487

Morse
FLUID TECHNOLOGIES
division of RG Group

One Company...One Complete **Solution**

Mem-co

Miniature barbed air fittings for science and industry

Motion Controls, LLC

NFPA Cylinders, OEM Cylinders and Feed Controls

Moxa

Industrial network infrastructure, industrial edge connectivity, industrial computing

Parker Instrumentation

Process control valves, instrumentation fittings, ultra high-purity face seal and weld fittings, quick couplings, Autoclave high pressure fittings, valves, pumps and tubing

Parker Pneumatics

Pneumatic cylinders, directional and control valves, filters, regulators and lubricators, fittings and tubing

Parker RECTUS

Quick disconnect couplings, brass and stainless steel

Peter Paul Electronics Co., Inc.

2- and 3-way solenoid valves, specialty, latching, thermoplastic, miniature valves and manifolds

Renco, Inc.

Ergonomically designed pneumatic and electric two-hand no-tie-down controls

Rubber Fab

Hygienic gaskets, biologic indicators, smart gaskets, hose assemblies, tri-clamps and fittings

Saint-Gobain

Tygon® food, chemical, medical and surgical tubing

Spartan Scientific

Inert isolation valves, solenoid valves and manifolds

Springville Mfg. Co.

Low-profile cylinders, tie-rod cylinders and air-oil tanks

SVF Flow Controls

High-performance ball, butterfly valves, actuators and controls

TBL™ Performance

Plastics (Thermoplastic Biologics)

High-purity, performance plastics, single-use-systems, clean-room assembly, Class VI tubing, silicone, surgical, Urethane, Vinyl, FEP, PFA, PTFE, co-extrusions and fabrications

VNE Corporation

Sanitary, stainless steel fittings, valves, tubing and specialty products

Welco Co., Ltd.

Peristaltic pumps and stepper motors

NOW FEATURING

PNEUMATICS

305 Island Road, Mahwah, NJ 07430
